

YOU'RE INVITED!

AGRISOLUTIONS CONFERENCE: GATEWAY TO SUCCESS

March 25, 2020 | 8:00 AM - 5:00 PM
AgriSolutions Campus
31832 Delhi Road, Brighton, IL 62012

ABOUT THE CONFERENCE

From overall financial health, to management skills, tax planning, and succession planning, it is crucial for all areas of your family farm to effectively operate together to be successful. Join AgriSolutions and other top farming operations for an interactive, one-day conference that will equip you with tools, training and tips to improve your farm operation's profitability, management, and overall performance now and in the future.

TOPIC HIGHLIGHTS

Management Skills

Take an in-depth look at the skill-set of successful managers including four focus areas of leadership/people, "systems" thinking, managing assets, and business analysis and planning.

Crop Profitability

Using an analysis worksheet, we'll provide a tool and discussion points to consider in exploring your crop options and discovering their corresponding operating efficiencies.

Tax Updates

Learn new developments including: QBID, crop insurance proceed deferral, retirement plans, changes to deductions, energy credit, changes to asset transactions, 529 plans, and more.

Other topics include introduction of a health insurance program for farm families and employees, AgManager accounting software updates and tips, succession planning, and much more.

JOIN US FOR A FREE LOOK AT THE AG BUSINESS MANAGEMENT PEER GROUP

Stick around the following day on March 26 for **FREE** access to a full-day, Ag Business Management (ABM) peer group meeting. Whether you are a 6th generation family farmer or new to the industry, the ABM peer group brings value to your farm through peer-to-peer networking, expert led sessions in financial decision making and business management, sharpened leadership skills, and action plans with the tools to implement them.

DETAILS

Cost: \$250 per operation (so bring someone with you!)

Includes: Access to general sessions, all breakouts, lunch

Registration: familyfarms.link/register2020
